File: Spring Heads Up

For Spring Senior Design

- You will be required to submit a final abstract for publication in the on-line version of the College Wide Completion Booklet – you need to go over it line by line with your advisor since your name and theirs will be **proudly** displayed on it.

    - These are due on **14 April** in pdf form only – email to senior design
    - Target no more than a page for the abstract.
    - Make sure it has the correct title for the project
    - In the email, you must also include group number, full title of the project, advisor and emails for all students
    - More information will be forthcoming in Week 2; however get started now so you're your advisor can edit it – typos, grammatical errors etc. ; will be forever preserved on the internet.

- Final reports are due Week 7 Wednesday at 4:00 PM
    - format will be posted end of Week 2

- Presentations are Week 8 and Monday of week 9

- You must show hardware, a movie or a proper demo if it is software
